Granite Insurance's - New Boone NC Office Location!

Granite Insurance is excited to announce that our Boone office has moved locations. Our new office is located in the Oak Summit Business Park on the 1st floor of the 400 building. We are excited about this move as it allows us to serve our community better. We have ample parking, allowing clients to stop by at their leisure. We look forward to establishing new partnerships and growing the Granite Insurance family!

“

We've been fortunate to officially call Boone home for two years now. The move to our new location is evidence of our efforts to put down deeper roots in this amazing community with the specific intention of empowering others to be successful. That's why we're here and we take our purpose very seriously. All of us at Granite Insurance are certainly excited about our new space, but what we're really pumped up about is the opportunity to better serve our client partners in the High Country area.

”
