

Granite Insurance is excited to announce that we will be partnering with Keller Williams High Country in 2023. Granite Insurance and Keller Williams High Country share the common goal of empowering their clients to be successful each and every day by walking their clients through the home-buying process and ensuring their home is properly protected for years to come. Through this partnership, Granite Insurance will provide a valuable resource for Keller Williams' agents and clients by developing comprehensive risk management strategies and insurance programs.

Granite Insurance is a community leader in helping personal clients and investors alike in making sure their assets are properly protected, specializing in the analyzing the unique risks of both affluent clients and investment properties.

“ The agents of Keller Williams High Country share the belief in making sure their clients are informed and are given trusted advice throughout the home-buying process. This strategic partnership will give their home-buyers peace of mind in knowing their home or investment is properly protected and will help the closing process be streamlined by effectively communicating with the Realtor, mortgage company, & closing attorney.

”
