The Granite Insurance Private Client Solutions Process:

Risk Consultation and Protection Review:

Our team of Risk Advisors work with our clients to identify and analyze the existing assets, lifestyle, and risk appetite of each family. Our thorough risk assessment will analyze the existing insurance program and identify existing gaps or limitations. This consultation serves as the foundation for developing a tailored risk management program.

Development of Tailored Insurance Program:

Our team will coordinate with the leading providers of insurance solutions specifically catered to high net worth individuals and families. Based on the initial consultation, we will develop the tailored solutions to meet our clients' expectation and needs of proper protection based on their assets & lifestyle.

**Secure your future with Granite Insurance –
Elevated protection for your ambitions.**

Presentation of Insurance Solutions & Comprehensive Risk Management:

Our Risk Advisor will provide a range of customized solutions through a comprehensive insurance program, including the comparison of multiple options for consideration. Beyond the insurance coverages, our team will walk through and discuss additional risk management mitigation measures & strategies that best protect the unique situations affluent client's face.

Implementation of Program & Introduction to Private Client Service Team:

The Granite Insurance PCS partnership is a 24/7/365 commitment. We will walk through the introduction and outline the Private Client service agreement, with a dedicated team to integrate with our client and ensure prompt communication throughout the relationship.

Going Beyond the Program:

Our Private Client Solutions partnership aims to go beyond the insurance program in being a steward for our clients. We partner with valuation services to simplify the process of properly appraising the valuable collections of our clients, coordinate with luxury concierge specialists to aid our clients in arranging travel, reservations, and more. Finally, we will always be a claims advocate for our clients, serving as the liaison between the client and adjuster, assisting with claim documentation and ensuring prompt communication and turnaround time.
