

Granite Insurance Partners with Hot Springs Association to Strengthen Community Support and Resources

GRANITE FALLS, NC | November __ 2024 – Granite Insurance is excited to announce a new partnership with the Hot Springs Association, designed to deliver tailored insurance solutions, risk management resources, and educational support to the growing hot springs community. This collaboration aims to enhance the well-being of member businesses by addressing unique coverage needs and fostering greater confidence in insurance decisions.

Understanding and Simplifying the Insurance Landscape

In an ever-evolving marketplace, businesses face specific challenges when it comes to securing effective insurance coverage. As local enterprises in Hot Springs continue to grow and diversify, Granite Insurance and the Hot Springs Association are committed to helping these organizations navigate the complexities of the insurance landscape. Together, we're empowering business owners by addressing common questions around coverage and costs, simplifying the process, and supporting the growth of a resilient business community.

Partnering to Overcome Insurance Challenges

Granite Insurance's experience across industries—including adventure and recreation—positions us to tackle the specific needs of hot springs businesses. By joining forces with the Hot Springs Association, we're able to offer resources that demystify insurance processes, allowing business owners to focus on what they do best. This partnership will empower member organizations to make informed decisions, ensuring they are well-equipped to meet their insurance needs and safeguard their future.

Driving Positive Change for Businesses

“ Our goal is to empower the hot springs industry to succeed for many years into the future,” said Nathaniel Johnson, Hot Springs Program Lead at Granite Insurance. “We understand the unique challenges within the industry and are dedicated to developing programs that address those needs directly.”

Beyond specialized insurance coverage, Granite Insurance will provide risk management and safety education tailored to local business operations. By helping businesses understand best practices in safety standards, we're working together to create a secure, supportive environment for residents and visitors alike.

Supporting Community Engagement Through Education

Granite Insurance and the Hot Springs Association are dedicated to taking a proactive role in insurance education. Through upcoming workshops and community events, we'll offer insights and resources designed to help members feel more confident in their insurance decisions.

Driving Positive Change for Businesses

“ This partnership reflects our commitment to building a sustainable future for hot springs destinations,” said Jessica Meath, Executive Director of the Hot Springs Association. “By collaborating with Granite Insurance, we’re taking a proactive step to protect our members from unpredictable insurance costs and gaps in coverage. We’re building a knowledge base that not only educates our members on risk management but also reassures insurers that they’re working with an informed, professional business community. Pooling our resources allows us to negotiate better coverage, ultimately creating a more resilient hot springs industry.” ”

This partnership marks a key milestone in our ongoing efforts to serve the hot springs community. By combining Granite Insurance’s expertise with the community-focused mission of the Hot Springs Association, we’re creating a path toward a safer, stronger environment for all.
