

RISK ADVISOR KONNECT

As a partner of Keystone, we are able to offer a Helpline that brings expert answers to your most common safety, HR, DOT and claims questions.

To contact our team, please call us at **888.976.7565** or e-mail us at myriskadvisor@keystoneinsgrp.com

Risk Advisor Konnect is a helpline that brings answers to questions like:

Human Resources:

- Need advice on ways to enhance employee engagement and reduce turnover?
- Need help on how to handle a harassment complaint from an employee?
- Need help regarding employee discipline or termination issues?

DOT:

- When is a Driver Qualification file needed?
- When do I submit my MCS-150?
- What do I do if I can't get a DOT post-accident drug & alcohol test completed?

Safety:

- We received an OSHA citation. What do we do next?
- What can be done to reduce the number of injuries we're experiencing?
- Do I need to keep OSHA 300 logs? Do I need to submit this information to OSHA?

Claims:

- My employee passed out while at work. Should we file a claim?
- My employee was driving to a customer's location and was injured in an auto accident. Should this be an auto claim or work comp?
- My employee returned to work but didn't bring a note from the doctor. Can he work?

At Granite Insurance, we are dedicated to empowering you to achieve your goals and navigate unexpected challenges with confidence. By providing tailored risk management solutions and ongoing support, we aim to be more than an insurance provider — we strive to be your trusted partner in success.

We believe that independence is better together. That's why our agency is a Keystone partner agency. Keystone is a group of like-minded independent insurance agencies. Our affiliation with Keystone benefits you in three ways: our agency maintains its independence, we benefit from the expertise of our network, and we receive access to specialized products and services.
